

Dear Parents/Guardian

School Voluntary Contributions and Charges – 2021

The schedule of Contributions and Charges for 2021 is broken into three sections, which will allow you to calculate all costs that you might incur throughout the school year.

Voluntary Contributions

The total amount of contributions parents and carers are being asked to pay has been contained within the \$60.00 maximum set out in *the School Education Act 1999 and School Education Regulations 2000*. After discussion with the School Board, our contributions have been set as follows:-

Kindergarten

\$40.00 per child

Pre Primary to Year 6

\$50.00 for 1 child

\$100.00 for 2 children

\$150.00 for 3 or more children

Money collected will be used to supplement school expenditure in the areas listed below. The actual costs per child are shown in the table beneath. While contributions are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth Governments.

Items for Personal Use (Booklist)

The school has made a bulk purchase of student items that we are providing to students at cost. This has greatly reduced the cost to parents for the booklist. We also require that all students have a workbook for maths and on-line subscription for spelling in years 1 to 6, and a maths workbook only in pre-primary. We request that all parents purchase the booklist through the school.

The 2021 booklist is attached.

Charges for Extra Cost Optional Activities

A breakdown of estimated charges for your child's participation in excursions, incursions and other activities for 2021 has been included in the schedule below. This information may assist with budgeting as the year progresses. Students will only incur costs when they are invited to a particular activity. As in the past, you will be asked to make payment for each activity as it approaches.

The Charges Include costs associated with:

- Activities available to students, but conditional on payment being made eg: Excursions, Incursions, In-term swimming.
- Specific activities available to selected students, but conditional on payment being made Eg: Inter-school sporting events, leadership courses.
